CONFERENCE & EXHIBITION

The Future of Training and Education: Technology & AI

30th November, 2023
Perth, Western Australia

About LearnTech

LearnTech, a significant event for continuous improvement and staying updated on training and education trends, is set to return to Perth, Western Australia in November 2023.

This event offers attendees the chance to network, forge new partnerships, and enhance their teaching, training, and learning strategies using cutting-edge technologies.

LearnTech is dedicated to assembling a diverse lineup of thought leaders, practitioners, and industry experts who will equip participants with the necessary tools and knowledge to navigate the digital era of education and the dramatic rise of AI.

Become a sponsor or exhibitor at LearnTech to be a part of this pivotal industry gathering.

CONFERENCE & EXHIBITION

2023 Keynote Speaker

Andrew Douch

As an education consultant and keynote presenter, Andrew helps educators to amplify their impact on student learning by inspiring new thinking about teaching effectively in a technology-rich world.

Andrew's work with innovative approaches to teaching and learning with technology has earned him a number of awards including:

• Microsoft Worldwide Innovative Teacher of the Year Award

• Victorian Education Excellence Award for Curriculum Innovation

• IMS Global Leadership Award

Andrew's keynote presentation **"The Intersection of Technology and Pedagogy"** will leave you feeling inspired about the contribution you can make to the lives of your students and the ways technology can help you to be more efficient.
